

The **Joint National LISTENERSHIP Research** survey results are published by Ipsos MRBI under the auspices of IAPI's JNLR Committee once per quarter in February, May, August and November. Additionally, on publication day the data is also made available for use with the MediaStar program via web download from our site www.espri.ie. The update files are accessed by username & password protocol issued to subscribers who have registered in advance.

JNLR MEDIASTAR COSTS (excl. VAT):

- Per quarter of data €435.00 (min charge)
- Per year of data €1700

Fee Includes:

- Use of the MediaStar software for up to 3 users for that period
- All JNLR data (supplied to show the current 12-month period)
- Program updates
- Telephone and e-mail support
- Advice on profiling/analysis runs etc

SERVICES (excl. VAT):

- | | | |
|--|-------------------|---------|
| • Personalised/In-Company training | Half Day | €325.00 |

Training

IT Support Visit

I confirm our order and enclose a cheque for the subscription type required in the amount of:

€.....

I also confirm that this order refers to JNLR data to be published on 2nd February 2012 comprising the calendar year **January to December 2011** inclusive

Signed:

Date:

- All data fees are payable on, or in advance of, publication day
- A fee is due for each 3-month period of data provided (so if you skip one issue of data you will have to pay for the back data next time round)
- The contact name referred to on your order form will be considered by ESPRI DMC Ltd. to be the single main contact for all communications and updates.
- If there is a change, even temporary, to this main contact it is the client responsibility to notify us in good time
- An up-to-date list of users with their e-mail addresses MUST be provided at time of order. Please review your internal communications procedures to ensure that the "main contact" keeps all MediaStar users aware of updates, news etc at all times.
